These are excellent review pages to use at Thanksgiving time when you need a quick activity. I used them for seat work in the morning. Kids loved that they were about Thanksgiving and had fun pictures to color while I loved that they reviewed reading, phonics, and writing skills!

So glad there are multiple forms of this phonics bundle for each holiday! I like that my students get used to the directions from bundle to bundle but the words / theme changes.

# Frequently Asked Questions

Is there an answer key included to help identify the pictures?

There are clipart/picture keys at the bottom of the cut and glue sorting pages. Feel free to email me a specific page you need help with if you don't see the clipart key.

Can I buy just one skill?

Yes! Each skill is available for purchase separately.

Are you planning to add more to the bundle with additional skills?

This bundle is complete with letter sounds, CVC words, digraphs, and blends. I am currently considering creating another bundle that will include CVCe, long vowel teams, r-controlled vowels, and diphthongs.

I bought one of the individual packets, and now I want the bundle. Can I get a discount?

TpT  does not allow sellers to process refunds. However, they will refund you if you buy both. After buying the bundle, email them and ask for the individual item to be refunded.
